What I Understand

3.1 By signing, I confirm that I understand the following:

- (a) The authority of the office I am seeking belongs to the Members. If elected, I will hold it in trust for all of them, on and off the Reserves, and not for myself, my family, or my friends.
- (b) Council can act only by Resolution at a duly convened meeting with a quorum present, as paragraph 2(3)(b) of the *Indian Act* provides. No member of Council can adopt any law alone.
- (c) The Customary Election Regulations can be changed only in the way section 20 of the 2014 Regulations requires: Council approves the draft by Resolution, gives at least fourteen (14) days' posted and mailed notice with the full text attached, and a Special Meeting of Electors with at least fifty percent (50%) of the number who voted in the previous Election present approves it by secret ballot.
- (d) The Membership Code can be changed only in the way its own amendment section requires, which includes the consent of a majority of all Electors.
- (e) Council can replace the 2014 By-law by motion under its section 26.1, and can adopt the other Codes among the Governance Documents by Resolution, without waiting for a vote of the Electors. The Electors then ratify them.
- (f) The Governance Constitution and the Members' Bill of Rights take effect only if a majority of the Electors vote in a Fundamental Vote and a majority of those voting approve.
- (g) The fraud, theft, and breach of trust provisions of the criminal law apply to elected officials as they apply to everyone.
- (h) This Agreement will be published.

Part 4

- 4.2 I will move, or second, and vote for a Resolution adopting the Conduct and Conflict of Interest Code, the Financial Administration Code, the Spending and Contracts Code, the Housing Code, the Education Support Code, the Business Ventures and Member Loans Code, the Access to Information and Privacy Code, the Whistleblower Protection Code, the Appeals and Complaints Code, the Community Votes and Petitions Code, and the Administration and Personnel Code.

7 For My Whole Term
